To see our price, add these items to your cart.

What is a 12V power supply box?

12V Power Supply boxes are a must have for CCTV camera installations with 4 or more cameras. These boxes connect to a regular 110V power outlet and inside have a terminal board that outputs 12V DC voltage for multiple cameras. They come in a few varieties depending on the number of cameras, and the amount of amperage (aka current) they can support:.

What is a must portable power station?

MUST portable power stations are battery-powered generators that keep your gear charged up and ready wherever you are. From family camping to home backup, get yourself convenient power without the noise, fumes, and fuss of a traditional gas generator. Discover the perfect energy solution tailored for diverse living spaces.
