

Accra containerized generator manufacturer

Overview

Cenpower Generation Ltd ('Cenpower') is a Special Purpose Vehicle created to develop the Kpone Independent Power Plant (KIPP) in the Tema industrial zone, close to Accra, Ghana's capital. Who is Aksa generators Ghana?

As a subsidiary of AKSA Power Generation, AKSA Generators Ghana Ltd. has been serving Ghana and neighbor countries with the supply of generator sets, after-sales support, spare parts and services available 24/7, since it was established in East Legon-Accra in 2015.

Are containerized generators reliable?

Years of use in the rental, oil and gas, mining and other heavy-duty industries have tested the reliability, usability and durability of our containerized generators. Our primary design challenges in developing this line of containerized generators were usability, reliability and functionality for the end user.

What is a Tier 4 containerized generator?

Our Tier 4 containerized generators are high-powered —500 kW to 1250 kW— units packaged in 30-foot or 48-foot ISO containers.

What is AKSA Power Generation?

AKSA Power Generation is the unique flagship brand of a vertically integrated number of businesses. These include AKSA Energy, AKSA Electricity, and AKSA Natural Gas; which are all part of the Kazanci Holding; providing power and energy to homes and businesses, and bringing unparalleled knowledge and expertise to any project.
