

# **Aurora solar inverter factory in Brasilia**

## Overview

---

Are solar inverters safe to use in Brazil?

For solar inverter manufacturers in Brazil, the IEC 62109-1 & 2 certifications are particularly important. These cover safety aspects of power converters for use in photovoltaic power systems. In conclusion, Turkey is undeniably rising as a strong force in the global solar energy market.

Who is Aurora Energia?

Aurora Energia is born, founded by Fabricio Lopes, already with its mission and values. The first project is filed at ANEEL, our Cluster I, has more than 1,360 MW approved. Idealization and launch of the largest solar energy project in Brazil, with more than 1GW planned, showing originality, innovation and boldness.

Who is inovacare solar?

Inovacare Solar specializes in photovoltaic energy generation products, highlighting their commitment to high durability and long-term performance. They operate throughout Brazil, promoting solar energy as a sustainable solution, making them a relevant player in the solar inverter market.

Who makes Sungrow solar inverters?

Max. Sungrow is a prominent manufacturer of solar inverters, offering a diverse range of over 20 models suitable for various applications, including residential, commercial, and utility sectors. Their expertise in advanced solar technologies underscores their commitment to renewable energy solutions.
