

Authorized manufacturer of outdoor communication battery cabinets in Finland

Overview

Why should you invest in the battery industry in northern Europe?

Northern Europe is an excellent location for the battery industry, as the availability of raw materials and clean energy is good, production chains are transparent, and sources of battery materials can be traced. Sweco's international team is dedicated to support investors in a developing of a sustainable battery industry across Europe.

What are outdoor Telecom cabinets?

Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.

Why is the battery industry growing in Europe?

The battery industry in Europe is growing rapidly, providing solutions for sustainable mobility, the fight against climate change and the green transition in energy production.

What is the European battery value chain?

The European battery value chain responds sustainably to the global need for lithium-ion batteries. Sweco is committed to building a carbon-neutral battery value chain that takes into account social, environmental and social responsibility.

Authorized manufacturer of outdoor communication battery cabinet
