Foldable shipping containers an answer to port congestion?

Your Professional background?What Causes 'Empty Running'?Who Inspires You?Empty containers clog roads and ship terminals, causing port congestion and leaving little space to unload ships. This then forces many ships to wait offshore, wasting resources and slowing the supply chain to a crawl. The problem disappears only as the ships sail away.See more on supplychaindigital Author: Sean Ashcroftmmetc Container Ship Operations in BahrainThe container ship operations in Bahrain ensure seamless movement of raw materials, finished products, and industrial goods across key trade routes. ...
