

Breaker distribution for sale in Australia

Overview

Where can I Buy Circuit distribution products in Australia?

Choose from a huge range of circuit distribution products, with great prices available and nationwide delivery. As Australia's leading electrical wholesaler, Lawrence & Hanson electrical provides offers a complete range of circuit distribution products.

What is a circuit breaker enclosure?

When it comes to protecting electrical circuits, Circuit Breaker Enclosures are an essential component. Ideal for use in a variety of applications, these enclosures provide a safe and reliable way to house circuit breakers. One popular brand option is Clipsal, known for their high-quality electrical products.

Who makes Rs circuit breaker accessories?

RS is a globally recognised and trusted supplier, distributor, and manufacturer of industrial circuit breakers and circuit breaker accessories. In addition to our own RS PRO line, we carry a wide range of types from top brands, such as MCCBs from Siemens, MCBs from Schneider Electric and even electronic circuit breakers from ABB.

What is a circuit breaker system?

A circuit breaker system is more than just the breaker itself. It comprises several key components that work in unison to provide reliable and safe electrical protection, such as the enclosure, trip mechanisms, and terminals. The breaker itself houses the main contacts, which carry the current under normal conditions.
