

China upgrade circuit breaker in Angola

Overview

Are Chinese companies coming to Angola?

Manuel Francisco Pedro, chairman of the board of directors of the Luanda-Bengo Special Economic Zone in the capital city of Luanda, told the Global Times that more Chinese companies are coming to Angola to invest these days. "Last year, we approved 17 new Chinese projects in our economic zone.

Is Angola China's second-largest trading partner in Africa?

Angola stands as China's second-largest trading partner in Africa and an important investment destination for Chinese companies, with bilateral trade exceeding \$23 billion last year.

Can China help Angola achieve economic diversification?

Angola hopes to attract more Chinese investors who can bring capital and technology as well as expertise to enhance production efficiency, while assisting Angola in achieving economic diversification, Lourenco said. The positive and warm atmosphere of bilateral economic cooperation has sent a very positive message to businesses.

Why is China investing in Angola?

The Angolan government strongly encourages Chinese investment, primarily focusing on the mineral and energy sectors, which offer broad prospects. Additionally, cooperation in agriculture holds great potential, as Angola has relatively undeveloped agricultural resources compared with China's mature industry, Huang said.
