

# **Dublin Solar-Powered Containerized Mobile Drone Depot**

## Overview

---

Will drone delivery expand in Dublin?

Manna drone delivery plans to expand in Dublin, reaching 1 million by year's end, but noise complaints prompt calls for regulation. TLDR: Manna, a Dublin-based drone delivery service, is rapidly expanding and aims to serve a million customers in the capital by year's end.

Is Dublin the world's most advanced city for drone delivery?

The strategy describes Dublin as “one of the most advanced cities in the world in the area of drone deliveries” noting that Manna Drone Delivery has been trialling drone delivery services in Dublin and is now expanding these services globally.

When will commercial drone delivery services be licensed in Dublin?

A delivery drone of Meituan UAS lands at their station at the Gulf Information Technology Exhibition Global 2023 in Dubai this October. Commercial drone delivery services are expected to be licensed for parts of suburban Dublin early next year, according to regulators who see the move as the next step in its expansion.

Which companies are launching drone delivery services in the UK?

Amazon plans to launch the UK's first drone delivery service in Darlington this year, while DoorDash tests drone deliveries with Wendy's in Virginia. The UK government's £20 million investment in commercial drone initiatives signals growing institutional support. Globally, companies are testing various approaches to drone delivery.
