

# **Folding Container Fixed Type for Manila Wastewater Treatment Plant**

## Overview

---

What is a containerized wastewater treatment plant?

A containerized wastewater treatment plant is a wastewater treatment system that is fully integrated into a container. For uncomplicated and fast transportation, we use 10, 20 and 40-foot shipping containers in accordance with the international ISO standard for our KLARO container systems.

What is a containerised portable sewage treatment plant?

A containerised portable sewage treatment plant gives clients the option to relocate it onsite or easily transport it to new sites as necessary. In addition to that, the systems are modular so that they can work together in a variety of combinations effectively dealing with variable wastewater volumes to achieve any effluent quality.

What is a modular containerised sewage treatment system?

The modular containerised system with the various components of a wastewater plant is customised to meet customer's requirements and can be easily transported by land and sea. As all the sewage treatment equipment is preinstalled and factory tested, onsite installation work is limited and basically Plug & Play.

How many m<sup>3</sup> of wastewater can a containerized wastewater treatment plant handle?

We have experience with containerized wastewater treatment plants for up to 1,380 PE or 207 m<sup>3</sup> of wastewater per day. A wastewater treatment plant is only as effective and efficient as the installed system.

## Folding Container Fixed Type for Manila Wastewater Treatment Plant

---

Portable Wastewater Treatment and ...

Jan 8, 2023 · We supply and install specialized equipment and spare parts of different brands for your Sewage / Wastewater Treatment Plant and ...

Laguna, Manila, Philippines

The Organica FCR is a complete wastewater treatment solution including solids removal, biological treatment/nutrient removal and phase separation. The cascades within the FCR ...

Intelligent containerised waste water treatment plant

Dec 4, 2025 · TLS supplies intelligent mobile and containerised waste water treatment plant or sewage treatment plant container, which can be remotely controlled to monitor system ...

WASTEWATER TREATMENT CONTAINER - Aiga Concept container ...

In short, Aiga Concept's wastewater treatment plant containers are versatile solutions in 20' and 40' containers that combine efficiency, durability, adaptability and quick assembly. They play ...

Portable Wastewater Treatment and Chemicals Philippines
