Overview

What are bulk used plastic containers & collapsible bins?

Our bulk used plastic containers and collapsible bins offer a durable and sustainable option for your storage and transport needs. Whether you're in manufacturing, distribution, or warehousing, our fully refurbished containers are designed to help you save money while contributing to a greener future.

Should you buy used bulk containers?

Reduce, Reuse & Recycle, right?

Buying used bulk containers, plastic pallets and hand-held containers will reduce your material handling expenses by providing you with containers you need for your operation at a fraction of what you would pay for new.

What is a collapsible shipping container?

Shippers are demanding improved efficiencies and sustainability throughout their supply chains. COLLAPSECON is the collapsible shipping container pioneering the future of global trade. It's practical and rigid design saves on space, cost and handling, and helps to significantly reduce industry emissions.

How many containers can a collapsecon hold?

COLLAPSECON's innovative and fully automated design allows up to 4 containers to be collapsed and combined, giving them a fully laden weight and enabling them to be transported anywhere on a ship. 1/6 COLLAPSECON collapses horizontally, ensuring the container maintains its structural rigidity in any form.
