Overview

What is a 40 ft container used for?

40ft units can be used for commercial, residential, and shipping industry applications. There are a few types of 40-foot shipping containers, but the most common one is the standard dry 40' shipping container. These storage containers are easy to load and unload and can hold products that are dense or have a lot of weight.

How do I access a 40 foot HC container?

NEW 40-foot HC shipping containers with an open side give you multiple access points. You can access these containers either through four (4) bifold doors on the open side or standard double doors at one end. Most NEW 40-foot HC containers with an open side include exterior lock boxes. *Total opening size at one end (double doors).

Where can I buy used 40ft shipping containers?

Buy Used 40ft Shipping Containers at a lower cost for your storage needs at Shipping Container Depot. These high-quality, robust, slightly used containers are perfect for storing bulky objects that wouldn't fit a 20ft shipping container or a 20ft HC container.

How much does a 40 ft container cost?

New, One-trip 40-foot container prices range anywhere from \$3,600 to \$4,200, depending on availability. During container shortages, you may see prices more than double those averages in many markets. New, One-trip 40-foot, High Cube shipping container prices currently vary from a low of \$3,600 to \$4,200, depending on grade and location.
