

High-Pressure Folding Container Type for Sports Venues

Overview

What is Stadium containers?

Stadium Containers specialises in innovative, modular stadium seating solutions built from high-quality shipping containers. We combine smart design with durable construction to create comfortable, stylish, and weather-protected seating for sports venues, schools, and event spaces.

Can I customise the colour of my Stadium containers?

With our stadium containers you get the option to fully customise the colour to better suit your club's branding. Along with the customisation of the size and colours, we also include a club crest printing on the side of each containers. As seen at Qatar World Cup 2022 and more.

Why should you use a container-based design?

With a container-based design, we ensure exceptional weatherproofing, allowing spectators to enjoy events worry-free without the hassle of disrupting weather conditions; offering protection from rain/wind and shade from direct sunlight.
