

High quality 1 2 kva inverter in Mombasa

Overview

Does the Mecer 2400va come with a warranty?

The system comes with a full 1 year warranty. NB: Batteries do not carry a warranty. Kit Includes: The Mecer 2400va inverter kit is an ideal plug and play system during load shedding. Power up your TV, router and some lights.

What is an inverter system and what does it do?

Q) What is an inverter system and what does it do?

It is an inverter unit coupled with a battery which provides power when there is load shedding. It keeps its battery charged when there is Eskom power.

How does a 3 way Multiplug Eskom inverter work?

You then have a 3 way multiplug on the inverter that allows you to connect any appliance you want. Keep the appliances connected at all times, the inverter will automatically switch to battery as soon as it detects Eskom power is down. Q) How much backup time will I have on the unit before normal Eskom power come back on to recharge the battery?

.

How does Eskom inverter work?

It is super easy The system is plug and play. The inverter has a regular 3 pin plug that goes into the wall. You then have a 3 way multiplug on the inverter that allows you to connect any appliance you want. Keep the appliances connected at all times, the inverter will automatically switch to battery as soon as it detects Eskom power is down.
