

# High quality solar power unit in Qatar

## Overview

---

Who makes solar energy in Qatar?

The state-owned group, Qatar Solar Energy, is a leading manufacturer of solar power components and last year opened the largest integrated production facility for solar energy systems in the Middle East and North Africa region. Even more recently, Qatar's Solar Technologies, took a 49% stake in German-based SolarWorld.

Who is the best solar panel supplier in Qatar?

QSTec's dedication to sustainability and innovation makes it a preferred choice for solar energy projects in Qatar and beyond. GreenGulf, situated in the vibrant city of Doha, has emerged as a prominent solar panel supplier in Qatar, with a focus on delivering comprehensive solar energy solutions.

How many solar PV projects are there in Qatar?

The installed capacity of solar power generation in Qatar was recorded as 5.1MW, as of 2020, which is far from the required targets to have a considerable share of renewables in the energy mix. Thus umpteen solar PV projects are lined up to boost the capacity in the nation.

What is Qatar's first large-scale solar power plant?

Qatar's first large-scale solar power plant, Al Kharsaah will provide sustainable, affordable and clean energy to industries, services and individuals through the Qatari grid starting from 2021 with an initial 350 MWp capacity before reaching its full capacity in 2022.
