

# Industrial switchgear factory in London

## Overview

---

Who are industrial switchgear services?

Industrial Switchgear Services Ltd, established in 2000 within the specialist field of High and Low Voltage Power Engineering, offer a variety of solutions for all HV/LV requirements nationwide, providing Total Power Solutions including the following.

What is electrical switchgear?

We specialise in the design and manufacture of electrical switchgear. Switchgear is essential for the efficient and safe operation of electrical systems. It plays a pivotal role in the management of power distribution, especially in industrial sites and expansive commercial facilities.

Who is Switchgear systems Ltd?

Switchgear Systems Ltd specializes in manufacturing a wide range of electrical switchgear, offering products from 20A to 7000A for various industrial applications. Their offerings include isolators, switchfuses, changeover switches, and more, all customizable to meet specific requirements.

Who is Knight electrical switchgear?

Knight Electrical Switchgear Ltd specializes in manufacturing and installing low voltage switchgear and electrical control panels, ensuring compliance with industry standards. They provide comprehensive project solutions, from design to final installation, and have established strong relationships with leading switchgear component manufacturers.
