

Is there a solar glass factory in Peru

Overview

Is there a glass factory in Peru?

Based on preliminary market research, there is currently no local glass production capacity in Peru. KEDA Industrial Group's investment in establishing a factory in the region aims to replace imported products and seize market space. The selected site for the glass factory is close to the Pan-American Highway, ensuring convenient transportation.

What happened to Keda Peru glass factory?

A month ago, after 6 months of concerted efforts, multiple rounds of negotiations, risk management, as well as surveys and legal procedures, KEDA Peru Glass Factory successfully held a land signing ceremony in Lima, the capital of Peru.

Why did Keda industrial group invest in a glass factory?

KEDA Industrial Group's investment in establishing a factory in the region aims to replace imported products and seize market space. The selected site for the glass factory is close to the Pan-American Highway, ensuring convenient transportation. It also has ample resources of water, fuel, and raw materials to meet production needs.
