

Netherlands lithium energy storage power supply customization company

Overview

Who is Lithium Werks?

Lithium Werks provides cells, custom battery packs, and battery management systems into markets such as stationary energy storage, industrial, commercial marine, and transportation. Using patented technology, Lithium Werks focuses on long-term partnerships with our clients to provide powerful, inherently safe and reliable battery systems.

Why should you choose Lithium Werks?

Using patented technology, Lithium Werks focuses on long-term partnerships with our clients to provide powerful, inherently safe and reliable battery systems. Custom battery packs and modules using Best-in-Class components. If playback doesn't begin shortly, try restarting your device. An error occurred while retrieving sharing information.

Why is grid congestion a problem in the Netherlands?

In many places in the Netherlands, grid congestion has occurred. This is mainly because the energy distribution network is not adequate and adjustments take a very long time. Sometimes, as a business, you have to wait up to 5 years for a (larger) connection.
