Who are the best solar energy companies in France?

Explore the top solar energy companies in France, like Photowatt and Akuo, that drive innovation in renewable solutions, boosting sustainability efforts.

Are SunPower solar panels made in France?

In its second decade of service, SunPower has consistently strived for innovation, delivering a diverse range of solar panels made in France. These include their signature Maxeon® and Performance series panels, recognized for their top-tier efficiency and robust design.

Where are our solar panels made?

Since 2010, we have developed our solar innovations at our R&D center in Marseille, France. Not all our panels are produced in France (yet). We select the world's best factories based on strict environmental and social criteria. Our panels are certified low-carbon. It's the least we can do.

Where are solar energy companies headquartered?

Spanning from start-ups to larger corporations, these firms are headquartered primarily in regions like Île-De-France and Auvergne-Rhône-Alpes. Founded at various intervals, from 1979 to as recently as 2019, they engage in activities such as solar panel manufacturing, project development, and energy efficiency solutions.
