

Port Moresby Solar Container 15MWh

Overview

Can PNG Power install a solar PV system in Port Moresby?

PNG Power has installed a 150kW rooftop solar PV system at the Mineral Resources Authority (MRA) office in Mining Haus, Konedobu, Port Moresby. This installation was done through PNG Power's two-megawatt rooftop solar PV pilot programme in the Port Moresby grid.

Where is a 150kW rooftop solar PV system installed in Port Moresby?

PNG Power has worked with the Mineral Resources Authority (MRA) to install a 150kW rooftop solar PV system at the MRA office in Mining Haus, Konedobu, Port Moresby. One of them, the MRA, launched its 150kW rooftop solar PV system at MRA Haus in Port Moresby on Tuesday.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.

Why should you choose a solar storage container?

Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy. Lower energy/maintenance costs ensure operational savings.
