

Port Vila rooftop solar panels

Overview

Where is a 150kW rooftop solar PV system installed in Port Moresby?

PNG Power has worked with the Mineral Resources Authority (MRA) to install a 150kW rooftop solar PV system at the MRA office in Mining Haus, Konedobu, Port Moresby. One of them, the MRA, launched its 150kW rooftop solar PV system at MRA Haus in Port Moresby on Tuesday.

Why should you choose a solar power system in Vanuatu?

Our solar power systems offer a cost-effective alternative, significantly reducing your electricity expenses and providing a more affordable energy solution. Our portable solar generators bring reliable electricity to even the most remote islands. Enjoy the convenience and independence of sustainable energy, no matter where you are in Vanuatu.

How can Etech solar help Vanuatu?

The sun is a powerful source of renewable energy. We can harness that energy to create a sustainable future in Vanuatu and the world. eTech Solar is accelerating the adoption of quality yet affordable solar technology across Vanuatu to conserve our environment and provide an environmentally friendly and sustainable power supply.

Why should you buy a portable solar generator in Vanuatu?

Our portable solar generators bring reliable electricity to even the most remote islands. Enjoy the convenience and independence of sustainable energy, no matter where you are in Vanuatu. Benefit from our close partnership with Australian providers, ensuring top-notch customer service and support.
