

# Portugal Light New Energy Solar Air Conditioner

## Overview

---

How does Algarve air & solar size your air conditioning system?

At Algarve Air & Solar, we size your air conditioning system based on the square metres of your room, insulation quality, ceiling height, and sun exposure—especially important in Algarve’s hot summers.

Does Algarve air & solar service your AC?

At Algarve Air & Solar, we offer servicing packages that ensure your AC remains energy-efficient and prolongs its lifespan—especially important in Portugal’s dusty summer conditions. With any installations that are carried out by Algarve Air & Solar - you are required to service your system once a year.

Do you need air conditioning service in Portugal?

Air conditioning systems require basic maintenance such as filter cleaning, plus an annual professional service to keep them running at peak efficiency. At Algarve Air & Solar, we offer servicing packages that ensure your AC remains energy-efficient and prolongs its lifespan—especially important in Portugal’s dusty summer conditions.

How long does an air conditioner last in the Algarve?

With proper installation and regular maintenance, a high-quality air conditioning unit in the Algarve can last 10–15 years or more. At Algarve Air & Solar, we select systems built to withstand the region’s heat and salt air, ensuring you get maximum value from your investment. Expert air conditioning installers and repair services.
