

Power breaker switch for sale in Australia

Overview

Who offers Clipsal circuit breakers & main switches 6KA?

At AGM Electrical Supplies, we offer Clipsal Circuit Breakers & Main Switches 6kA that are trusted by contractors, electricians, and builders all across Australia. Whether you are working on a residential job, industrial site, or commercial project, AGM Electrical Supplies offers you the quality and safety you deserve.

What is a Clipsal circuit breaker & main switch?

These Clipsal Circuit Breakers & Main Switches are designed with a 6kA breaking capacity. This protects your electronics and the Clipsal Circuit Breakers & Main Switches against short circuits, power surges, and overcurrent. We offer top-of-the-line Clipsal circuit breakers that can safely interrupt fault currents of up to 6000 Amperes.

What are electrical switches used for?

Switches are commonly used in electronic circuits. These power switches enable control of the circuit by switching it on/off or controlling a range of other features. At RS Australia, we offer a broad selection of electrical switches to meet the diverse needs of engineers and technicians across various industries.

Who are Rs switches?

RS is a trusted supplier of switches across Australia. We offer a wide range of high-quality electric switches and power switches from top brands like APEM, Alps Alpine, and KNITTER-SWITCH, ensuring you get the best performance and reliability for your applications.
