

# Smart solar inverter in China in Vietnam

## Overview

---

Who is the best solar inverter manufacturer in China?

LIVOTEK is poised to become the foremost solar inverter manufacturer in China in the future due to its global industrial layout, complete range of products, and responsive after-sales technical service.

Is solar energy the right choice for Vietnam?

“Solar energy is the right choice for Vietnam because it's proven technology that can be quickly and readily deployed, even in challenging sites,” she adds. Vietnam's transition to renewable energy comes as the country's electricity needs continue to increase due to strong economic growth projected at 5-7% per annum over the coming years.

Is Trina Solar a good choice for Vietnam?

“Trina Solar modules use dual-glass, useful for challenging environments like these where proximity to the sea means higher humidity and salt spray,” says Wang. “Solar energy is the right choice for Vietnam because it's proven technology that can be quickly and readily deployed, even in challenging sites,” she adds.

Which solar projects are powered by Trina Solar vertex?

Utility-scale projects powered by Trina Solar Vertex modules include the 51MW Dam Tra O floating solar farm, in the central coastal province of Binh Dinh, and the 49MW Vinh Long ground-mounted solar farm near the southern tip of Vietnam.
