

# Sori Solar Inverter

## Overview

---

Which is the best solar inverter manufacturer in China?

From smartphones to electric cars, from household appliances to energy storage devices, we use various types of batteries every day. Sorotec is the best solar inverter manufacturer in china, Has been supplying hybrid solar inverter for customers for many years experience of off grid solar inver, Power inverter, Please contact us.

What is a sorotec inverter?

Let us support your journey toward a cleaner and smarter energy future. Sorotec inverters are designed specifically for residential, commercial and industrial applications.

What solar products does sorotec offer?

Explore SOROTEC solar products: solar inverter, USP, telecom solar power solutions, energy storage LiFePO4 battery, and MPPT solar controlle.

What types of inverters are available?

Our inverters include pure sine wave inverters, off-grid inverters, hybrid inverters and 3-phase hybrid inverters with the latest technology, which can meet the requirements of most customers, so customers can gain the largest share of the local market. Visit us to inquire about our reliable and durable inverters.

## Sori Solar Inverter

---

### Products Overview

PV inverters range from 1 kW to 350 kW, hybrid inverters range from 3 kW to 20 kW, battery storage systems, C& I and utility ESS solutions, microinverter system and SOFAR Monitor
