

Warsaw solar container communication station super capacitor room spot

Overview

When is the energy storage event in Warsaw?

As part of this transformation, the Energy Storage event in Warsaw on February 26-27 will be a key gathering. It will bring together over 120 executives and 40+ industry leaders to discuss the evolving energy landscape.

How can Poland meet its EU-mandated solar and storage targets?

However, to meet its EU-mandated targets, Poland must ramp up both solar and storage installations. The Solarplaza Summit Poland 2025 will provide critical insights into the rapidly evolving market, the role of storage, and how to navigate regulatory, financial, and operational challenges.

Is a 2023 capacity auction a big step forward for Polish energy storage?

It looks to be a big step forward for the Polish energy storage market, which is already advancing into a leading position among Central and Eastern European markets, driven forward by a 2023 capacity market auction in which 1.7GW was awarded to energy storage bids.

What is the solarplaza summit Poland 2025?

The Solarplaza Summit Poland 2025 is a must-attend event for developers, investors, IPPs, manufacturers, and service providers looking to capitalize on Poland's renewable energy growth. The event offers invaluable opportunities to: Explore co-development and joint venture opportunities within Poland's dynamic solar market.
