

Where are the base station sites in Somalia

Overview

Will Turkey establish a satellite launch base in Somalia?

(Photo by CHANDAN KHANNA / AFP) Mogadishu (HOL) — President Hassan Sheikh Mohamud has confirmed that Turkey will establish a satellite launch base in Somalia, advancing Ankara's ambitions for long-range missile testing and space exploration while cementing its growing ties with the Horn of Africa nation.

What radio stations are in south central Somalia?

Radio stations of south central Somalia include Radio Dhusamareb, Radio Codka Nabada/Radio Abud-Waq, Codka Mudug, Radio Hobyo, Radio Galguduud, and Codka Gobollada Dhexe (Voice of Central Somalia). The northeastern Puntland region has over a dozen private radio stations.

Is US military training in Somalia a back-door strategy?

The U.S. government's plan to train Somali security forces at newly-established military bases in five different parts of the country (Baidoa, Dhusamareb, Jowhar, Kismayo, and Mogadishu) is a back-door strategy not only to expand the U.S. military's presence in Somalia, but to position itself more assertively vis-à-vis other powers in the region.

Is the Somali National Army a 'elite' unit?

Indeed, the foreign-sponsored training of multiple "elite" contingents of the Somali National Army (Danab, Waran, Gashaan) has prompted internal divisions within the security establishment in Somalia as it raises chain of command issues and questions about the loyalty of these units.
