

# **Which company has uninterruptible power supply in Peru**

## Overview

---

### Who owns Pluz Energia Peru?

In June 2024, the CSG completed the acquisition of an 83.15-percent stake in the company and full ownership of Pluz Solutions Peru S.A.C. "Since joining the CSG, Pluz Energia Peru has achieved improvements in both power supply capacity and service quality," said Walter Sciutto, the company's general manager.

### Why is Peru investing in drones?

The company has made an extensive investment plan to enhance supply capacity and service quality and will accelerate the adoption of drones, automation, and smart technologies, deepen partnerships in Peru's energy sector, to further support Peru's economic and social development, said Sciutto.

### How has China securing power supply improved power supply?

"The practices related to securing power supply introduced by the Chinese team have effectively reduced the power outages risk, significantly strengthening our capacity for safe and reliable electricity supply," said Juan Ochoa, an employee at the company.
