

Wholesale pv breaker isolator in Bulgaria

Overview

Who is global solar Bulgaria?

Global Solar Bulgaria – Да докоснем слънцето! Wide experience in the photovoltaic energy sector. Over 17,900 MW capacity. Wide experience in the industry, land supply, relationship and work with the state. A perfect combination of global experience and expertise to further focus on technological advancement. Surveillance and monitoring of systems.

Why should you choose global solar Bulgaria?

Our goal is to offer innovative products and services at the best price, which are part of the economic and ecological context of renewable energies. Sustainable development is the belief that underlies Global Solar Bulgaria 's initiatives to protect the environment, strengthen communities and stimulate responsible growth.

Should a DC isolating switch be installed between a photovoltaic module and inverter?

According to safety regulations, a DC isolating switch needs to be installed between the photovoltaic module and the inverter. ASWICH's DC isolating switch can protect users' safety.
