

Yemen Gigawatt Energy Storage Project

Overview

Will UAE invest \$1 billion in Yemen?

Ali Alshimmari, Managing Director and CEO of Global South Utilities (GSU), said the UAE's new \$1 billion investment portfolio in Yemen will help provide between two and three million homes with clean energy through solar and wind projects. Illustrative image.

Will solar power boost power in Yemen?

UAE-based Global South Utilities, an energy and water infrastructure company, is boosting its solar power generation capacity in Yemen to provide electricity to thousands of homes amid growing power challenges in the country.

How will a new energy project impact Yemen?

Together, the projects will deliver clean and stable electricity to more than one million homes and facilities, marking the largest transformation of its kind in Yemen's energy sector. They will also reduce hundreds of thousands of tonnes of emissions annually and lower dependence on costly fuel.

Can solar power Yemen's Ataq city?

Photo: Global South Utilities UAE-based Global South Utilities inaugurated a 53-megawatt solar project in Yemen to power 330,000 households, significantly enhancing local electricity access. Electricity from the plant will "fully meet" the needs of Ataq City and six surrounding districts.

Yemen Gigawatt Energy Storage Project

GCL's 20GWh energy storage system project commences ...

The 20-gigawatt-hour energy storage system project of Golden Concord Holdings Ltd (GCL) started operating in the Zhangjiagang Economic and Technological Development Zone on Aug ...

Yemen Energy Projects: Massive \$1B Renewable Wins

Nov 27, 2025 · Discover how Yemen energy projects backed by \$1 billion from GSU bring solar and wind power, lighting over a million homes and reducing blackouts.

Home , Ochoa Energy Storage

Dec 4, 2025 · Ochoa Energy Storage is a proposed up to 500-megawatt Battery Energy Storage System (BESS) project that will bring sustainable, ...

GSU to spend USD 1bn on new solar, wind, storage in Yemen

Nov 26, 2025 · The United Arab Emirates, through Global South Utilities (GSU), has launched a USD-1-billion (EUR 866m) package of renewable energy projects in Yemen, outlining plans to ...
